

Mr. Morgan - Curriculum Overview - Term 3 - 2023/24

Week	1	2	3	4	5	6	7	8	9	10	11
English	<p>Make it Happen</p> <p>Through this unit, students will explore different types of writing and communication. They'll start by weighing up opinions, move on to analyse articles, and play with language to make their writing more vivid. They'll sharpen their skills with punctuation and structure to make instructions clear. They will also have the opportunity to practise making strong arguments about real-world topics such as recycling culminating in a written magazine article. .</p>						<p>Different Voices - Different Times</p> <p>In this unit, students will dive into the craft of storytelling, discovering how to start a story with an intriguing prologue. They'll experiment with word choice and learn how it shapes characters and the world they live in. The children will have the chance to write and polish their own story beginnings. Students will also learn how to employ literary techniques such as flashbacks into their writing to improve their overall story-telling ability.</p>				
Maths	<p>Geometry: Transformations, Reflections, and Rotations</p>			<p>Multiplication and Division of fractions and decimals</p>		<p>The Laws of Arithmetic</p>		<p>Capacity and Volume</p>		<p>Roman Numerals</p>	<p>Review and Assessment</p>
IPC	<p>Investigators</p> <p>We will be learning about the important process of investigative science. These are a set of skills which enable us to answer questions about the world around us, learning how things happen and understanding why. In this unit we will apply these skills to one branch of science: materials and their properties.</p> <p>We will need to be forensic scientists as we use our newly honed investigative skills to examine evidence from a scene of a crime. Can we prove who did it?</p>				<p>Climate Control</p> <p>We will be learning about the way that people are causing the temperature of our planet to increase, why this happens and actions we must all take to limit our harmful impact on planet earth.</p> <p>We will need to be scientists, geographers and designers. Can you connect small actions with a planet-sized problem?</p>						
Art	<p>Senses - the world of our senses</p> <p>We will learn about some of the forms used by artists in their work to express sensory experiences.</p>						<p>People of different age - Young and Old</p> <p>We will learn how a number of artists use forms, materials and processes to depict childhood and old age</p>				
Music	<p>Video Game Music</p> <p>In this unit, we will be learning about the history of video game music and composing our own video game music using online software. The unit can provide learners with a link between their own personal interests outside of school and encourage them to explore computer-based learning.</p> <p>Have you heard music when you play video games? What role does music play in video games?</p>										
Beginners (Mrs Lee)	<p>-민수하고 토마스는 몇 반이에요? What grade are Minsoo & Thomas? 금요일에 우리집에 오세요 Come to my house on Friday</p>				<p>케이크하고 빵을 만들어요 Let's make a cake and cookies 아빠하고 놀이공원에 갈 거예요 I am going to a playground.</p>			<p>여름은 더워서 안 좋아해요 I don't like summer because hot 비가 와서 집에 있을 거예요 I will stay at home because raining</p>			
Intermediate (Miss Mary)	<p>Unit 7-9 복습</p>	<p>Unit 10: 아빠랑 같이 저녁을</p>		<p>Unit 11: 동화책도 보고 게임도 해</p>		<p>Unit 12: 내 동생이랑 같이 하자.</p>		<p>Unit 13: 네 연주를 들을 수 있어?</p>		<p>Unit 14: 어려우면 나한테 물어</p>

PE	Striking and Fielding This 'Striking and Fielding' unit will teach us about the skills players need in games such as cricket, rounders, French Cricket and Danish Longball. The students will learn how to catch, throw and bat across different distances with accuracy. They will develop their fielding skills by learning how to 'attack the ball'. They will also develop their skills of cooperation, exploring how working as a team helps to prevent the opposition from scoring points	Athletics In this athletics unit, children will have the opportunity to develop their existing running, jumping and throwing skills. They will be running for speed and endurance.. They will also learn the technique for throwing the discus (the fling throw) and practise other types of throwing techniques, including the one-handed pull throw (javelin) and the one-handed push throw (shot-put). The children will have the opportunity to take part in individual, paired and group activities and games.									
PSHE	Core Values Deep Dive This term we will take a deep dive into our school core values assess each one in turn, evaluating how we measure up as individuals, a class and as a whole school										
	Introduction	Creativity	Curisosity	Confidence	Respect	Responsibility	Leadership	Teamwork	International Midset	Growth Mindset	Environmental Awareness
Digital Literacy	BBC Microbits Embark on an electrifying journey into the world of technology with our six-week unit on BBC Microbits. Through hands-on experimentation and creative problem-solving, students will unlock the secrets of coding and electronics, empowering them to design and program their own interactive gadgets. From crafting personalized games to mastering digital storytelling, this immersive experience will ignite a passion for innovation that lasts a lifetime.
